

SAFETY CLUB Sahas Foundation.

1st Quarter 2022 Update

We had an impactful 1st quarter at Safety Club, Sahas Foundation. Thanks to all of you!

Sharing a few noteworthy projects here.

- Our Safety club Angel Sangeeta Giri traveled to remote parts of Karnataka and trained 1,600 + little children and teachers on good touch bad touch in 40+ small remote villages across Haliyal, Alnavar, Dharwad areas.

- The Telangana government runs 326 Ashram schools, 183 Gurukulam residential schools, and 1432 primary schools in different tribal habitations. We received a letter of recommendation from Dr. Christina Chongthu, Secretary to Government, Tribal Welfare Department for empowering their teachers and staff with safety training and teacher training kits that they will use to empower children at their schools.

- We mapped out school & Student data in Kerala and shared a proposal with the Kerala Government to empower children in Kerala with safety skills.

- We shared a proposal with the CBSE board to empower children under their educational board.
- We organized a digital workshop at Focus high school, Hyderabad.

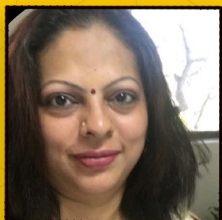

Welcome to Safety Club

We welcome **Sid Thakur, Ph.D.** to our foundation. He's guiding us with his data science & data visualization expertise to create a data strategy for Safety Club and map out schools and children across India so we as a foundation can have the greatest impact on child safety.

We welcome **Divya Emanuel Yadav** to our foundation. Divya lives in Australia and is helping us with our digital workshop initiative.

We welcome **Geetha Parameswaran** an HR executive based in Bangalore to our foundation. Geetha loves teaching and will be helping us with our digital training initiative.

We welcome **Ms. Asma Zaidi** to Safety Club. Ms. Asma is a renowned educator & author and will be helping us with our digital training initiative to extend safety training to more teachers at scale.

We welcome **Padma Rallapalli** to Safety Club. Padma lives in Hyderabad and is a seasoned HR Leader and a DEI Champion passionate about women and child safety. Padma is helping us with our digital and grassroots initiatives to impact child safety.

To quote Ms. Christina Chongthu, Secretary to Government, Tribal Welfare Department **"Education alone is not adequate, children require a safe environment to grow in"**.

We Thank our safety angels, our donors, our partners, our staff, and well-wishers for lending a helping hand in creating a safe environment for children.

Sincerely and with gratitude,
The Safety Club Team
