

SAFETY CLUB Sahas Foundation.

3rd Quarter 2022 Update

We've had a 3rd quarter of impact at Safety Club. Thanks to all of you!

Sharing a few noteworthy projects here.

● **Safety education goes to the Indian Himalayan Region.** Thanks to Amisha Panwar, a poet from the region who helped us translate the Safety Club children's book into Garhwali, an Indo-Aryan language spoken by over 2.5 million people from the area. Thanks to Narayana's Art-Nirbhar Bharat Foundation & the Kavach Project for funding this initiative.

Richa Khandelwal Bhat, the MD of this foundation, will train select teachers in the Badrinath area. This creates work opportunities for locals in line with their mission and helps spread the message about safety to children.

Ms. Vishweshwari Mehta flagging the safety drive in Badrinath

Ms. Vishweshwari Mehta, a Sarpanch for over 10 years in the area, flagged off this initiative last month at Badrinath.

We Thank our volunteers, Anjali (Age 15) and Shri Geetha Devi (Age 80), for helping organize safety drives in Bangalore.
